The City's Solid Waste Management launched *HTX Collects* to allow residents to stay better connected with the City's waste and recycling collection programs.

HTX Collects includes collection reminders for garbage, recycling, yard waste and tree/junk waste specific to their service address. The mobile app also will send a reminder to residents of their collection days.

Letter from LPCC President

Hey Lindale Neighbors,
I hope this message finds you doing well and enjoying the start of the new year!

I want to take a moment to send out a huge thank you for the incredible turnout and amazing participation at our fall 2023 events. From the laid-back Saturday afternoon National Night Out to the festive Holiday Social and our informative Quarterly Meeting, your presence truly made these gatherings special.

A special shoutout to **Mary Pat Carmona-Gomez** and **Hermínio Gomez** (*top center*), aka Mrs. Claus and Santa Claus, for stepping in last-minute to add that extra dose of cheer to our Holiday Social! We're so grateful for your time and enthusiasm.

I also want to extend a massive thank you to **Mike Bowlin** for his incredible photography skills at our events. Mike, you're a true artist, and your photos capture the spirit of Lindale like nothing else.

I'm grateful for everyone's support during our security fall fundraisers, namely our bike patrol on Halloween night and holiday security patrol. Your contributions and dedication to keeping Lindale safe are invaluable. I'm proud to be part of a community that comes together in such meaningful ways.

As I reflect on nearly a year in Lindale Park (can you believe it?), I'm overwhelmed by the sense of community and the amazing neighbors I've had the pleasure of meeting.

A big shoutout to all our new members who joined us during our fall membership drive. Your enthusiasm is infectious, and it's great to see our neighborhood association growing stronger.

So, here we are, past the holiday hustle and bustle, and into a brand-new year. We made it through, and I couldn't be more grateful to be part of this wonderful community.

Warmest regards,
- *Michael T. Brown, Woodard Street, LPCC President*

**East Side of Lindale
Speed Bump Proposal**

Council Member Mario Castillo has notified the Lindale Park Civic Club Board of Directors about the possibility of the installation of speed bumps in the area from east of Irvington Boulevard to Hardy Street, including Kelley to Moody Streets. The potential project is based on a previous application.

As of now, the board has limited details, and the approval status of the project remains uncertain.

We appreciate Council Member Castillo for keeping us informed, and we want to assure you that we will continue to provide updates as soon as we receive more information.

The potential installation of speed bumps is aimed at enhancing safety in our community. Your understanding and cooperation are vital as we work toward creating a safer environment for all Lindale Park residents.

Edna Wilburn

1928 – 2023

Edna Wilburn, long time resident of Lindale Park, passed away November 22, 2023, at the age of 95.

Edna was born August 20, 1928. She moved to Houston as a young girl with her family from Osyka, Miss., in 1941 and left the farm life far behind. She retired from ExxonMobil in 1986, and shortly thereafter, she moved next door to her sister, Helen Carrier, in Lindale Park where she lived for 34 years.

Helen passed away September 16, 2021, but the two sisters were inseparable on Eleanor Street – Edna living at 409 Eleanor St. and Helen at 407 Eleanor St.

Edna loved working in her yard and took pride in her many “Yard of the Month” awards. She was still doing her own yard work at age 90.

Edna and Helen enjoyed many long weekends at Edna’s beach house at Roll Over Pass where family and friends gathered for reunions and shared fun times.

However, for the past 50 years, the most-loved family tradition was the gathering on Christmas Eve-Eve at “Nonny’s.” Family, food and laughter and especially singing filled her home and our hearts with a lifetime of memories.

Edna was proudly a lifetime member of the VFW Ladies Auxiliary Post 581 since 1994. She also was a loved member of the Oakwood United Methodist Church from 1971 until its closing. Edna will be dearly missed by family, friends and neighbors. A life well lived.

Become a Member Help Build a Better Community

Hey neighbors! My name is Patsy Guerrero, and I am a 38-year resident and the vice president and membership chair for our Lindale Park Civic Club.

I want to thank everyone who has renewed or started their Lindale Park Civic Club voluntary membership dues for 2024. Your support means a lot to our neighborhood!

If you haven't had a chance to pay your \$35 voluntary dues yet for 2024, I'd like to encourage you to consider updating your membership status. Your dues help with the Halloween and holiday security patrols, the 4th of July Parade, upkeep of our Community Center and the beautiful flower beds on Irvington Boulevard.

Lindale Park is home to about 1,193 homes and businesses, but that number is always changing as new neighbors join us.

Currently, we have 123 paid members, which is only 10 percent of our potential members.

If more Lindale Park neighbors updated their membership, we could do even more to enhance our community for everyone. You might think, "Why should I pay when my neighbor does not?" It's a valid question. I believe if we all take pride in our neighborhood, everyone will want to join in and participate.

Thanks for considering renewing your membership or

becoming a new member! To pay your dues, go to lindalepark.org/membership.html or follow the QR code on the enclosed form. We also take cash and checks! We will have a table at the **October 5** National Night Out event at St. Alban's.

In Loving Memory

Dorothy Brown

1936 – 2024

Dorothy Brown, long time resident of Lindale Park, passed away June 19, 2024. Dorothy was born in Houston December 15, 1936. She lived in the same home on Graceland Street for 60 years and valued her beloved neighbors as much as her family.

In May 2021, Mike Bowlin of Lindale Park Realty, wrote an article about Ms. Brown that we are sharing here again as a loving tribute to her, her family and to the neighborhood she called home for 60 years.

When speaking with Dorothy Brown, a 55-year/longtime resident of Lindale Park (LP), the first thing that comes to mind is “having wonderful neighbors.”

When Ms. Brown was young, she lived near Fulton and Crosstimbers Streets. For extra income, her mother made pin cushions in the late 1940s. Young Dorothy was then taken to LP to sell the pin cushions. She would tell those who bought the pin cushions that “someday, she was going to live in this nice neighborhood.”

Later, when married to her husband, they had the opportunity to move with their young daughter to her present house on Graceland Street.

She recalls the good life living in Lindale Park, visiting the Linder Lake Pool just north of LP on Helmers Street, shopping in the Main Street clothing shops, people selling “buddy poppies” to raise money for the war veterans in downtown, the restaurant and Civil Defense shelter in the basement of Woolworth’s, driving to Prince’s Drive-In for burgers, working for the City of Houston while Oscar Holcomb was mayor, being assistant leader for the Girl Scout troop that met in the Civic Club building on Joyce Street, going to the dairy on Fulton Street near Patton Street to get milk and visiting Moody Park for square dancing and outdoor movies.

But mostly, Ms. Brown remembers all the good neighbors she had and still has.

In times of trouble, her neighbors were always there to help, including times of unemployment, in the 90s when the contractor tore up several streets all at once, and nobody could get out of their driveways due to all the mud.

Neighbors were there helping each other by using ropes and pushing cars.

The Civic Club put together a meeting with the contractor and got them to fix the streets as soon as possible and only tore up one street at a time after that to shorten the repair cycle.

She said that neighbors have even shown their support through the years bringing in empty trash bins.

Shortly after this writer’s arrival to interview Ms. Brown, someone from both adjoining houses appeared, without any signal other than my arrival, to make sure Ms. Brown was safe, and they stayed there

the entire time, joining in on the discussion.
