---

November 29, 2010

Dear Friend,

It's that time of year again – the Lindale Park Civic Club Christmas/Holiday Party is almost here! This year, the fun will include the beautiful music of the Salvation Army Harbor Lights Choir, who have donated their performance. Residents will also enjoy a covered-dish dinner and door prizes throughout the night!

Will you help us? As a member of our community we ask that you help support our Club. We are a nonprofit civic organization, and are making a request for donations to be awarded as door prizes at our Christmas/Holiday Party on Wednesday, December 8, 2010. We welcome a wide variety of donations such as gift certificates, holiday turkeys or hams, lessons or classes, club memberships, dinners, merchandise, or tickets.

Monetary donations are also being accepted to offset our costs. Checks should be made payable to:

Lindale Park Civic Club  
218 Joyce Street  
Houston, TX 77009.  
Attn: Community Enrichment Committee

Donating to our club is a win-win proposition for our group and your business! Your generosity will receive local publicity through our website; also, the list including your donation will be printed in our newsletter and distributed to over 1,000 families in the Lindale Park area. Our residents benefit greatly from a feeling of close community, and as an area business your donations are important to achieving that. Your gift will help LPCC build goodwill in our community while providing a memorable occasion for our residents. We thank you for your contribution!

Best regards,

Community Enrichment Committee  
Lindale Park Civic Club

Note: Contributions or gifts to Lindale Park Civic Club are not deductible as charitable contributions for Federal income tax purposes.
